banner stands

## 6 good reasons to choose one of our banners

1. Textile graphics remain attached on the system for ease of use.
2. Graphics positioned on the front or at the back of the frame to create a dynamic 3D effect.
3. Endless configurations and shapes of the frames.
4. Individual panels can be quickly replaced with a new message or image. Ideal for "on the spot" changes.
5. Complete 4kg stand will be set-up within less than a minute
6. All textile graphics are suitable for your washing machine

Choose the banner which suits your requirement

---

3x1 H 2380mm x W 790mm

3x2 H 2380mm x W 1580mm

3x3 H 2380mm x W 2380mm

3x4 H 2380mm x W 3160mm

croix H 2270mm x W 2270mm

argyle H 2380mm x W 790mm

pyramid S H 2380mm x W 1580mm

pyramid M H 2380mm x W 2380mm

pyramid XL H 2380mm x W 3160mm

## Applications

---

The **3x1** is an image wall concept with top environmental performance. Simply fix rectangular shelves between 3 frames to create a functional, dynamic and modular combination.

The shown configuration fits into 1 golf bag & 1 padded bag

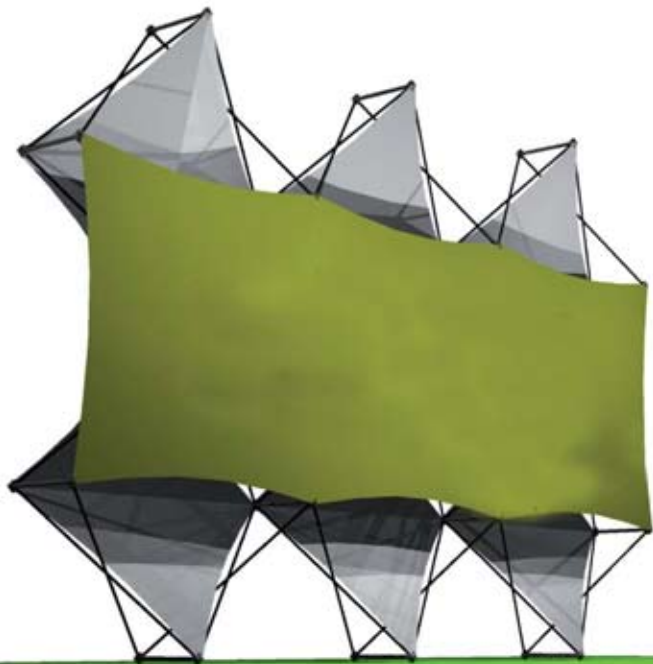

## Applications

---

The **3x3** can be adapted to fit any space since its dimensions are endlessly modular. This solution is ideal for events.

The shown configuration fits into 1 golf bag

## Applications

---

The **argyle** is a futuristic innovative design! Simply position the fabric panels on the front and reverse of the frame to obtain an incredible 3D effect.

The shown configuration fits into 1 golf bag or into one padded bag or into one rigid container

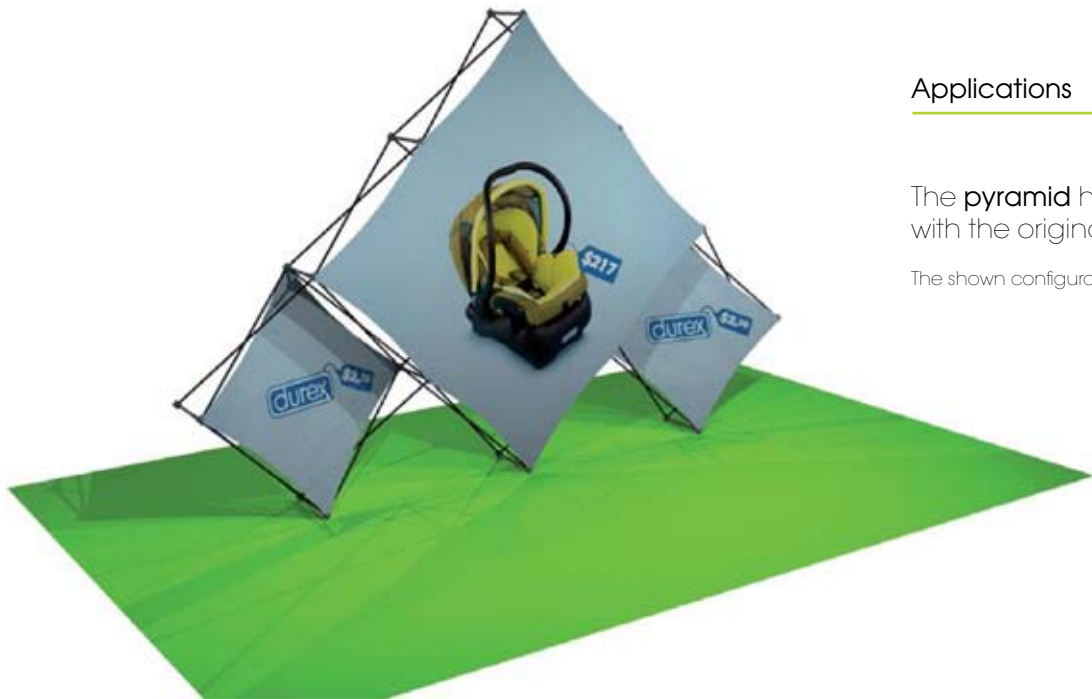

## Applications

---

The **xpress** is a rigid wheeled suitcase that transforms into a counter and includes two 3x1 frames housed inside

Maximise the impact of your communication with a unique and multi-functional design. The shelves are perfectly ergonomic for displaying products and literature. Fabric panels can be changed or replaced in seconds.

## Applications

---

The **pyramid** has multiple shapes of frames which will provide you with the originality and ease of use it deserves.

The shown configuration fits into 1 golf bag or into one padded bag or into one rigid container

## Family graphic shapes

---

Choose the most convenient for you graphic shapes among the large choice of configurations

## Family graphic shapes

---

Very light (recycled) aluminum system

Magnet connectors that assure automatic set-up of the system

Graphic fixing as simple as "buttoning a shirt"

Ajustable stabilizing feet

## family accessories

---

>Shelves

>Adjustable height

>Stabilizing feet

>150 W spots

## Transport bags

---

Since your transport needs are not the same when you travel by plane, car or by foot, our transport bags provide a complete range of different types of carriage solutions.

Your stands will be securely protected thanks to the extra resistant waterproof padded or rigid transport solutions.
